Department Of Computer Science and Engineering

Organizing **CYNOSURE'18**

in association with

The Department of Computer Science and Engineering organized a National Level Technical Symposium CynoSurE'18 on the 8th of September 2018. The main objective of the Symposium was to motivate and encourage the young intellectuals to focus on the application of their skills work in their discipline.

CynoSurE'18 was inaugurated by lighting the Kuthuvilakku, which is the tradition of our country. Mr.A.S. Kumaresan, Head of the Department welcomed the gathering and Mrs. V. Mala ASP/CSE gave a brief introduction about the Chief Guest and honored him, which was followed by the release of the souvenir by them.

The Chief Guest Mr. Mohamed Sadullah, Senior Analyst, Bank of America, Chennai, shared his experience with the students and delivered the presidential address to the students. He spoke about the expectation of the industry from a fresher, and the current trends in the industry, and how to utilize events such as this to build one's set of skills and confidence.

The following events of CYNOSURE'18 were conducted successfully as follows:

Organizing Invited Talk

On

“Cloud and Virtualization”

28th July 2018 @ 10.00a.m.

Venue : A.P.J Abdul Kalam Hall

PROGRAMME REPORT

Department of Computer Science and Engineering on 28th July 2018 Organized a Invited Talk “**Cloud and Virtualization**” in association with **National Cyber Safety and Security Standards**. Resource Person **Prof.N.Jagadeeswari**, Department of Computer Science and Engineering, Government College of Engineering, Bargur.

Principal Dr. P.Natarajan presided over the function and **Mr.A.S.Kumaresan**, HOD/CSE implied the necessity of Clouds and benefits of Clouds.

Prof.N.Jagadeeswari , delivered elegant and simplified sessions on Cloud, Types of Cloud, Virtualization ,various services by cloud and virtualization, around 40 participants participated in and profited from this invited Talk.

We thank **Prof.N.Jagadeeswari** , the Department of Computer Science and Engineering and **Cyber Safety and Security Standards** for their support and contribution to the successful completion of this Invited Talk

WORKSHOP SESSIONS

PRIYADARSHINI ENGINEERING COLLEGE, VANIYAMBADI

Department of Computer Science and Engineering

One day Workshop on

“Role of Big Data in Singapore Financial and Banking Sector”

in association with

CSI Students' Branch & NCSSS

July 4, 2018

Programme Report

Department of Computer Science and Engineering in association with CSI Students' Branch & NCSSS Organized a One Day Workshop on “Role of Big Data in Singapore Financial and Banking Sector”. Resource Persons were July 4, 2018 **Mrs. Revathy Padmanaban**, *Big Data Architect and Project Manager, Cognizant Technology Solutions (CTS), Singapore* and **Dr. Madhan Kumar Srinivasan**, *Associate Vice President, Accenture Innovation Centre for Analytics, Bangalore, Advisory Board Member, Cambridge Scholars Publishing, UK*. Principal Dr. P. Natarajan presided over the function and Mr.A.S. Kumaresan, HOD/CSE highlighted the importance of Big Data Analytics.

The goal of workshop was to provide insights about big data and related technologies. The workshop was started with basics about big data and discussed related case studies. The topics of the workshop were very new and are used currently in the industries. Mrs. Revathy Padmanaban, delivered wonderful sessions on Introduction to Big Data Analytics, Insights on NoSQL, Visualization and Business Intelligence. Dr. Madhan Kumar Srinivasan, delivered wonderful session on Innovations Opportunities in IoT, Big Data, Cloud & Advanced Analytics. He also motivated the participants to do their research in the area of IoT, Cloud & Big Data Analytics, about 200 participants was benefited from this workshop.

Finally Dr. Madhan Kumar Srinivasan, Mrs. Revathy Padmanaban, Mr.A.S. Kumaresan, HOD/CSE and Mr. S.Vijayakumar, HOD/MCA distributed certificates to the participants. We thank Dr. Madhan Kumar Srinivasan and Mrs. Revathy Padmanaban, Computer Society of India (CSI), National Cyber Safety and Security Standards (NCSSS) for their support to the successful completion of this workshop.
