Department of Computer Science and Engineering

*Organizing*

National Level Workshop on  
**“Network Security”**

*in association with*

**NCSSS**

10<sup>th</sup> March 2018

### **PROGRAMME REPORT**

Department of Computer Science and Engineering on 10<sup>th</sup> March 2018 Organized a **National Level Workshop on “Network Security”** in association with **National Cyber Safety and Security Standards**. Resource Person **Mr. Rajadurai Samuel**, Technical Lead, HCL Technologies, Chennai. Principal **Dr. P.Natarajan** presided over the function and **Mr.A.S.Kumaresan**, HOD/CSE implied the necessity of Network Security.

**Mr. Rajadurai Samuel**, delivered elegant and simplified sessions on Network Security, Network Spoofing and Hands-on ACL, around 80 participants participated in and profited from this workshop. He also encouraged the participants to do their delve deeper in the field of Network Security by demonstrating as to how the Access Control Lists are vital in restricting and protecting a network from potential attackers.

Finally **Mr. Rajadurai Samuel** and Principal **Dr. P.Natarajan** distributed certificates to the participants.

We thank **Mr.Rajadurai Samuel** and the NCSSS, i.e., the **National Cyber Safety and Security Standards** for their support and contribution to the successful completion of this workshop.-
