### REPORT OF SEMINAR

On

#### **“Technology Enabled Solutions for Off-Highway Machines”**

With full enthusiasm the Students of ECE had attended one day seminar on PCB Design and Embedded System conducted by Department of ECE in Association with IETE students Forum at Priyadarshini Engineering College on 26<sup>th</sup> September 2018.

The Institution of Electronics and Telecommunication Engineers (IETE) is India's leading recognized professional society devoted to the advancement of Science and Technology of Electronics, Telecommunication & IT, founded in 1953. The IETE Student's Forum of Priyadarshini Engineering College has been set up with 19 student members from ECE Department.

The Resource person of the seminar was **Mr.S.Prabhu,B.E.,Manager, Electronics Design Center,Schnell Technologies, Chennai. Dr.P.Natarajan**, Principal of Priyadarshini Engineering College, **Dr.M.Umadevi** HOD of ECE, the Faculty members and 97 participants were present to make the program a grand success.

**Ms. J.Farihanazz** Final Year Student of ECE welcomed all the respected dignitaries. **Mr. V.Avinash** Final Year Student of ECE introduced the Resource person and **Prof Dr.P.Natarajan**, principal-PEC honoured him.

**Mr.S.Prabhu,B.E.** delivered elegant and simplified sessions on Technology Enabled Solutions for Off-Highway Machines. Totally 97 students participated in and profited from this seminar. He also encouraged the participants to concentrate in the field Electronics Design and embedded systems.

Finally **Mr.R.Selvarasan** Associate professor of ECE delivered a vote of thanks.
