INTERNAL QUALITY ASSURANCE CELL (IQAC)

QUALITY POLICY

1. Objectives:-

To optimize and integrate a quality system for consistent and constructive improvement of academic and administrative performance of the Institution.

To promote measures for quality enhancement in the institution through best practices.

2. Functions of IQAC:-

- To oversee the attainment of PEOs, POs and COs.
- To audit department files for the smooth functioning of the department.
- To interact with course coordinators for identifying the gaps in the syllabus and arranging add-on course to bridge the gaps.
- Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices.
- To analyse the university examination question papers with CAT-I, CAT-II, Model Examination question papers and question bank.
- Integration of modern methods of teaching and learning.
- The credibility of evaluation procedures.
- The relevance and quality of academic and research programmes.
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.
- Development and application of quality benchmarks/parameters for various academic and administrative activities for the institution.
- Arrangement for feedback response from students, parent and other stakeholders on quality-related institutional processes.
- Documentation of the various programmes/activities leading to quality improvement.
- Equitable access and affordability of academic programmes for various sections of society.
- Dissemination of information on various quality parameters of higher education.
