PROGRAMME REPORT ON INVITED TALK

On 6.4.2018 *Er.S.Srinivasan, B.E., Associate Consultant, Tata Consultancy Services (TCS), Florida, USA*, who was the Keynote Speaker for the RIETMA 2018 also delivered the Invited Talk and conducted Interaction Session for the II MCA students in the MCA Seminar Hall between 12.00 PM to 1.15 PM

In his Special Address he specified the importance of certificate courses like Oracle, IBM, Sun Solaris, Microsoft, SAP etc. He advised the students to equip themselves with any one of those certificates which will be useful for their placement.

In the Interaction Session students asked the questions like,

- What is the Role of DBA?
- How to become a DBA?
- What is the importance of communication in IT Industry?
- How many computer languages are essential to get a Job?
- What are the Job opportunities in IT Industry without programming skills?
- What are the essential skills needed for a Software Engineer?

Students were eagerly participated in the Interaction and Er.S.Srinivasan patiently answered all the questions raised by the students.
